!!!SHOTGUN START - SCRAMBLE FORMAT!!!

Rain or Shine

It's time for another round of golf, this year at Wingpointe near the Salt Lake International Airport! Eighteen holes followed by a delicious lunch with a cash bar. All proceeds go to the scholarship funds of the Utah Geological Association (UGA), the Society of Petroleum Engineers (SPE), and the Society of Mining, Metallurgy and Exploration (SME). The format will be a four-person scramble - fun for all players no matter your skill level. If you wish to play with a co-worker, friend, or your spouse, we will accommodate you, assuming the pairings will not give an unfair advantage. After golf, enjoy a delectable BBQ lunch, followed by winner's announcement and prize drawings!
