Association of Women Geoscientists Scholarships

Application deadline is April 14, 2010. Please see the AWG website for further details:
<http://www.awg.org/EAS/scholarships.html>.

Ekdale Field Camp Scholarship – This will be our 21st year to offer the Ekdale scholarship. The amount of \$2,000 for the annual scholarship is for a woman student attending geology field camp this summer.

Geoscience Research Scholarship – The award criteria applies to both undergraduate and graduate women students. The Research Scholarship will reimburse \$1,000 per individual for meeting and travel expenses to present a research paper at a regional or national professional meeting.

Outstanding Geoscience Woman Award – This award is intended for a woman who is considered outstanding by a nominating geology professor. Thus, the faculty and instructors in your department play a key role to acknowledge top performance with a \$750 check.

Please note the deadline for the awards is prior to our annual spring auction. The date for this year's auction is April 24, 2010 and all candidates who receive awards are invited and encouraged to attend this event. If you have additional questions, please contact Janae Wallace, the AWG Ekdale Scholarship Chair, at janaewallace@utah.gov.
