!!!SHOTGUN START - SCRAMBLE FORMAT!!!

Rain or Shine

It's time for another round of golf, this year at Wingpointe near the Salt Lake International Airport! Eighteen holes followed by a delicious lunch with a cash bar. All proceeds go to the scholarship funds of the Society of Mining, Metallurgy and Exploration (SME), the Utah Geological Association (UGA), and the Society of Petroleum Engineers (SPE). The format will be a four-person scramble - fun for all players **no matter your skill level**. If you wish to play with a co-worker, friend, or your spouse, we will accommodate you assuming the pairings will not give an unfair advantage. After golf, enjoy a delectable BBQ lunch, followed by winner's announcement and give-away prize drawings!
